IT'S ALL ABOUT

THE FACULTY

Principal Mrs. McDonald

To the class of 2017, I would like to take this time to personally thank you for allowing me to be your principal. Sharing good times and not so good times, experiences, memories, challenges, obstacles and victories that have molded all of you into outstanding scholars with that undying "Indian Pride"! You have experienced enormous change during your four year tenure at Weequahic and I am so proud to say that you have worked hard and persevered through it all to arrive at this moment in time! Now it is time that we part ways so that you all can experience life in various ways and all that it has to offer each of you. Know that failure is not an option but obstacles are mere setbacks so that you can set up to have an awesome comeback! Our hallways will not be the same without the Class of 2017 but we are optimistic that your presence will be felt in the world as you experience various life pathways in college, career, workforce, traveling, military and parenting just to name a few.

In closing, never forget the dim light of the past that assisted you to get to this moment and never forget that there is a very bright light that shines on each of you to guide you to and through your awesome future! I love you all and May God Bless You!!!

With Love,

Lisa A. McDonald
Principal
Weequahic High School

Vice Principal
Ms. Mills-Brown

TO THE CLASS OF 2017:

It has been a privilege and an honor to serve as your vice principal. Never in my years of being in education have I come across a group of individuals who are so vested in their education and high school. In looking back at your years at Weequahic High School. I want you to think about two things. What were some obstacles that you faced being a student at Weequahic High School? How did you hurdle the obstacles and continue running towards the graduation finish line? How you persevere in the face of trouble determines not only your character but the person you will become. If there is anything I have learned from the Class of 2017 it is that all of you have the capability to persevere. Remember, "You are only as strong as you allow yourself to be, Never get discouraged, Never give up"!

Natica Mills
Vice Principal
Weequahic High School

Vice Principal
Mrs. Cumberbach-Jenkins

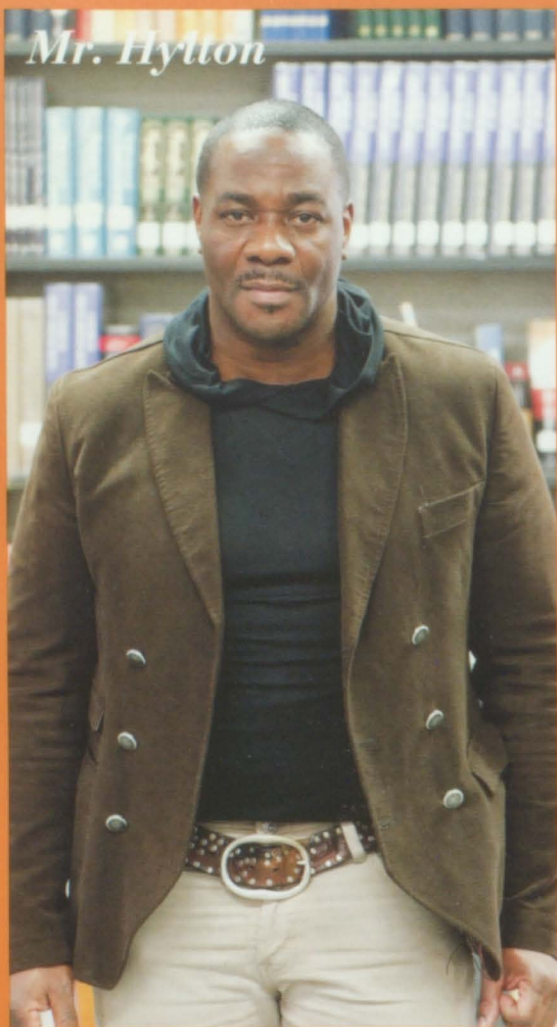

TO THE CLASS OF 2017:

I wish the seniors the best of everything that life has to offer. I need you all to work hard to get where you need to be. Nothing will come easy in life, You must put in hard work. It has been a wonderful experience knowing you all; you are all good students as my experience here with you has been an exciting one. May you all find success.
